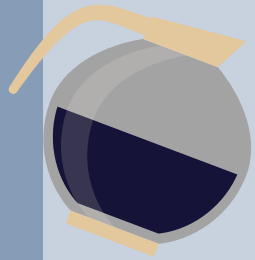
Culinary Companions

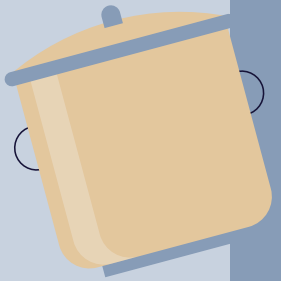
Connecting Cultures
Through Cooking

Our Concepts



Connect with people through the universal language of food.

Share culinary experiences despite geographical barriers.



Timeline

Users input available cooking times and preferred cuisines.

Matchmaking based on culinary and cultural preferences.

Both users receive a meal kit.

Users chat through the app to introduce themselves

Initiate meeting through holographic display connection

Users rate the dish in their flavor preference profile

The Holographic Cooking Experience

- 3D holograms project your cooking partner into your kitchen.
- Simulate cooking side by side.
- Enhance the cooking experience with interactive features.

What's next ...

Create Lasting Connections

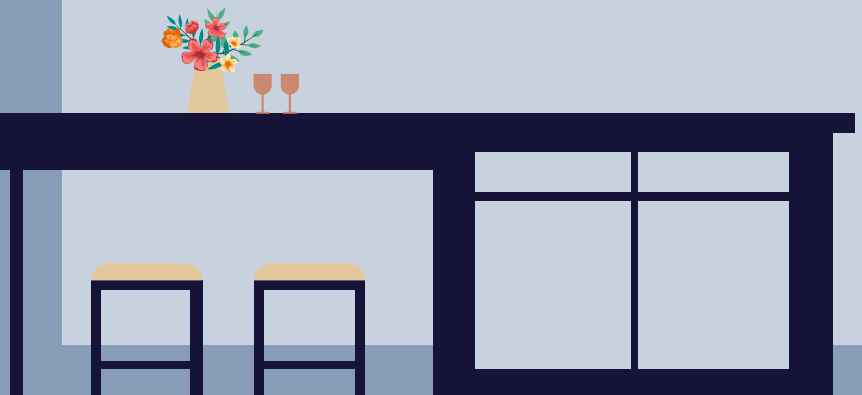
Friend Circle

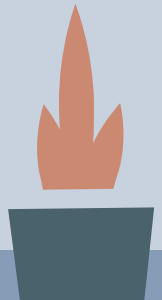
users can still connected after cooking and form a group of culinary friends

Continued Engagement

Encourages regular meetings, cooking sessions, and the sharing of recipes among circle members.

Group Connections

Participate in cultural food explorations as a group, fostering a sense of community and fun.




Thanks!
